

AWA formed in 2002, now has affiliated clubs with land in 17 different states. AWA plans to establish clubs in all 50 states, by 2015. **Your membership in any AWA Club gives you access to all private land leased by all AWA Clubs nationwide.** You will be able to reserve exclusive use of private land nationwide to hunt every available type of wild game, plus fishing for all native varieties, and camping.

- AWA Franchise areas still available in these states.
- Land currently leased in these areas by AWA clubs.
- AWA plans to lease land in these areas for next year.
- AWA has leased land in these areas in the past, and will again soon.

Watch us Grow!
